2 OnlineStore

This project was generated with [Angular CLI](#) version 8.3.9.

2.1 Development server

Run `ng serve` for a dev server. Navigate to `http://localhost:4200/`. The app will automatically reload if you change any of the source files.

2.2 Code scaffolding

Run `ng generate component component-name` to generate a new component. You can also use `ng generate directive|pipe|service|class|guard|interface|enum|module`.

2.3 Build

Run `ng build` to build the project. The build artifacts will be stored in the `dist/` directory. Use the `--prod` flag for a production build.

2.4 Running unit tests

Run `ng test` to execute the unit tests via [Karma](#).

2.5 Running end-to-end tests

Run `ng e2e` to execute the end-to-end tests via [Protractor](#).

2.6 Further help

To get more help on the Angular CLI use `ng help` or go check out the [Angular CLI README](#).

Lionel Matthews (15 August 1912 -- 2 March 1944) was an Australian Army officer during World War II who was posthumously awarded the George Cross, the highest non-combat award for heroism for members of the Australian armed forces at the time. Matthews served in the 27th Brigade during the Malayan campaign, and at the surrender of Singapore in 1942 became a prisoner of war (POW). He was awarded the Military Cross for courage, energy and ability under fire during this fighting.
